Each year we provide families with toys, clothing, stocking stuffers, and help wrapping presents for those parents who just need a little help during this holiday season. Thank you all for helping us make this annual holiday tradition such a special day!

Heat-and-Eat program launched

Canton For All People kicked off its Heat-and-Eat Program in October with partners United Way of Greater Stark County and Summit Elementary School where 200 nutritious meals are sent home with students each Friday.

Thank you to our volunteers who helped package the food for each household!

Foster youth homes groundbreaking

We officially broke ground on our first home for youth in foster care!

Canton For All People, Build Ohio and Chasing Hope House are partnering to build three homes that will house 12 teenage girls and have four bedrooms in each house.

Canton For All People received a $1.5 million grant from the Federal Home Loan Bank of Pittsburgh, which funneled through PNC Bank, to build these homes for our partner Chasing Hope House.

Thank you to EN-RICH-MENT for gifting us the land to build on.

This type of housing model for youth in foster care is the first in Ohio. Building these homes will help provide stability and opportunity for young adults transitioning from foster care.
